**Subject:** Enforcement Notification: PA

**Site Name and Location:** Safety Light Site, 4150 A Old Berwick Road, Bloomsburg, Columbia County, PA

**Background:** EPA is trying to determine what companies may have generated waste to or arranged for disposal of radioactive waste at the site. A former plant manager, Terry D. Brown, may very well hold such information yet he has ignored telephone calls placed to his residence in an effort to identify such companies.

**Proposed Action:** Information Request letter

**Basis for Action:** The purpose of the information request letter is to obtain additional information from the recipient in order to identify additional Potentially Responsible Parties (PRPs) at the Site. Mr. Brown was the former plant manager and may hold valuable information into the identity of PRPs.

**Proposed CERCLA §104(e) Letter Recipients:** Terry D. Brown, 1919 Garfield Ave., Laramie, WY 82070-4336

**Statute/Regulation:** CERCLA Section 104.

**State Coordination:** EPA Region III has been in coordination with Jeff Whitehead and John Angevine PADEP, Harrisburg, PA, regarding this Site. In addition, Vince Brisini, Deputy Secretary, Waste, Air and Radiation Management, PADEP and James Miller, North Central Regional Office, PADEP, John Angevine, HSCA Project Office, PADEP, and Jeff Whitehead , Bureau of Radiation Protection have been advised of this action, were advised of this action.
